Located in the main field
(outlined in Red)

Race Control and Rostrum

Race control with 240V power, air con and lighting. Separate fully raised view of track providing good vantage point for officials and/or commentators. Amplifier with microphone and line-in. Two timing loops.

Rostrum provides 11.4m (37.5ft) of space for up to 17 drivers.

Pitting

Covered pits located adjacent to the track with space in between for scrutineers, competitor gazebos and/or sales tents.

Covered pits for approximately 70 with lighting and electricity (battery charging only). Space for 70 using their own gazebo pitting areas. Plenty of rubbish bins provided.

Other facilities

On-site toilet facilities and air-compressor. Catering van providing hot food and drinks.

Private room housed beneath 1/8th rostrum
Suitable for competitor pitting or private officials area.

Camping available on-site (no electrical hookup) with mains drinking water, toilets and shower block on site. Approximate 45 caravan / motorhome capacity.

Alternative camping pitches available on adjacent Westmill Farm campsite. This is not run by HNMC and booking is highly advisable.

On-site model shop located within the Westmill Farm site adjacent to HNMC. Open during 1/8th meetings for all your tyres and spare part requirements.
