

**REGISTRATION FORM 2017**

**Notes:**

- [a] This Form must be completed in full and returned to the Entry Secretary **as soon as possible** and by Monday, 30th January 2017 at the latest.
- [b] Details on this Registration Form will be used for Race Meetings throughout the year. In the event of any change, please complete a new Registration Form or notify the Entry Secretary, in writing.
- [c] Unless you use 2.4GHz you must detail a **minimum** of **FIVE** frequency choices that are to be provided at all meetings. If you do not bring the same five frequencies to an event, you may forfeit your place. If you use 2.4GHz then you can note that only but you must use that and not change to fixed crystals without notification.
- [d] Personal transponders are compulsory and it is the responsibility of the driver to ensure that the transponder used corresponds to that detailed on this form (or on any subsequent written notification).

**\*\* Note the 1/8th Rallycross section uses the RC4 lap counting decoder - this means only AMB/My laps transponders will work - it is the driver's responsibility to check that the transponder is compatible.\*\***
