SECTION: 1/8th Stockcar

RULE No:

The proposed rule*.... ...is New

...should be: deleted amended

* Tick which is appropriate

PROPOSED BY:		SECONDED BY:	
Name	Nikki Betts	Name	Steve Gould
Signature		Signature	
BRCA No.	161754	BRCA No.	163716
e-mail address	sgould07@gmail.com		

The exact wording of the rule after your proposal has been approved would be:

(Please ensure any deletions or amendments are highlighted in bold text.)

Extra marshalls to be placed in the middle of the track (one or two).

Description

(It would help if you could add a brief description of the thinking behind your proposal below)

The reason for this is the cars have got quicker and it is harder for other marshalls to get across the track quickly and safely.

The exact wording of the rule after your proposal has been approved would be:

(Please ensure any deletions or amendments are highlighted in bold text.)

The height of the body from the top of the body to the top of the bumper rail is limited to 8.5cm minimum and 13cm maximum.

(This is to be taken from the top of the body and not the spoiler if fitted).

Description

(It would help if you could add a brief description of the thinking behind your proposal below)

Old rule states from the ground to the top of the body. This can vary depending on tire size and spring rate. (This rule was bought in before we started using aerofoils).
