BREAKING NEWS UPDATE

Ian Masters, 2002 IFMAR World Championship Commentator will be part of the DMCRC Event Team to offer you the best experience we can.

Our brand new 32m x 18m Lindau Carpet has been deemed unsuitable for the event. We apologize for this disappointing news following a substantial investment by the club, who only want the best for you, the racers.

However, all is not lost! We still have our tried and trusted original and sort after Primafelt Carpet. Let's Race!

Some of the best races in history have been completed on Primafelt carpet, we are excited to witness the best racers in the country battle it out once again!
