

WBMCC INFORMATION PACK

Rounds 9 and 10 of the LMP National Series 2026

WBMCC

West Bridgford Model Car Club

Welcome to WBMCC's second year of hosting the LMP Nationals. We are delighted to welcome drivers, teams and supporters for what we hope will be another great weekend of racing. It is fantastic to see so many of you returning, and we look forward to hosting this event for many years to come.

This information pack is designed to answer any questions you may have and provide all key details ahead of the meeting. If you require anything further, please contact us at wbmcc.prebooking@gmail.com and a member of the team will be happy to help.

Venue Information

The event will take place at:

The Becket School

Wilford Lane
West Bridgford
Nottingham
NG2 7QY

Access to the school is from the main road, straight ahead through the green gates. Please turn right and follow the car park towards the sports hall.

There are two designated accessibility parking spaces available. Please note that the school may be in use by other clubs throughout the day, so parking can become limited. We kindly ask that all drivers park considerately and responsibly.

As this is a school site, smoking and vaping are strictly prohibited within the premises. Please use the designated area outside, beyond the green gates.

Key Officials

Key personnel from WBMCC for the weekend are as follows:

Race Director: Steve Playford
Chief Timekeeper: Jason Crossland
Scrutineer: Oliver Swain
Track Maintenance: Andy Reid, James Baker

Building Access and Safety

Access to the pitting and racing halls will be via the main foyer, turning right on entry. To help maintain a comfortable temperature inside the building, please ensure all doors remain closed throughout the event.

In the event of an evacuation, please leave via the nearest available fire exit and proceed calmly to the main car park.

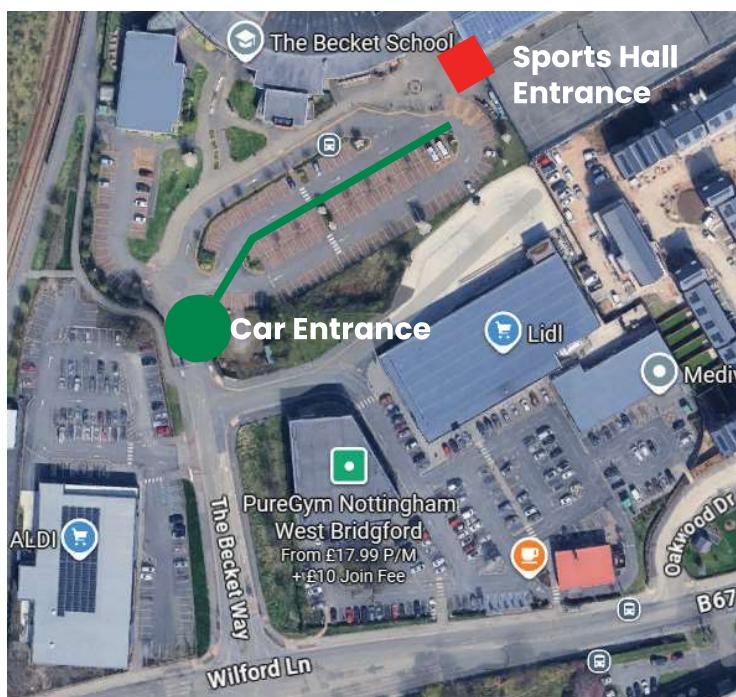

Please note: the fire assembly point may change. Any updates will be communicated clearly during the drivers briefing, so please listen carefully. The nearest Accident and Emergency department is Queen's Medical Centre, NG7 2UH, approximately 3.2 miles away.

Food and Local Amenities

Arguably one of the most important parts of any race meeting is the food. Fortunately, there are several options within a four minute walk of the venue:

Starbucks, Aldi, Lidl, Local chippy (closed on Sunday), Greggs

For evening meals, the nearest restaurant is a Harvester, located approximately 0.5 miles from the venue.

Event Format and Timetable

The weekend will consist of two separate race events, one on each day. WBMCC will also be hosting club night racing on the Friday evening prior to the event. Please note that the track layout for Friday night will be near identical however LMP will not be available for national competitors.

Access to help setup the pitting hall will be available from 19:00 on Friday.

Any updates or changes to the timetable will be communicated in advance, so please keep an eye on official announcements.

WBMCC LMP Weekend Timetable

	Friday 20th		Saturday 21st		Sunday 22nd

		16:30	Finals	16:30	Finals
		18:00	Presentation	18:00	Presentation
				18:01	Pack Down

Track and Facilities

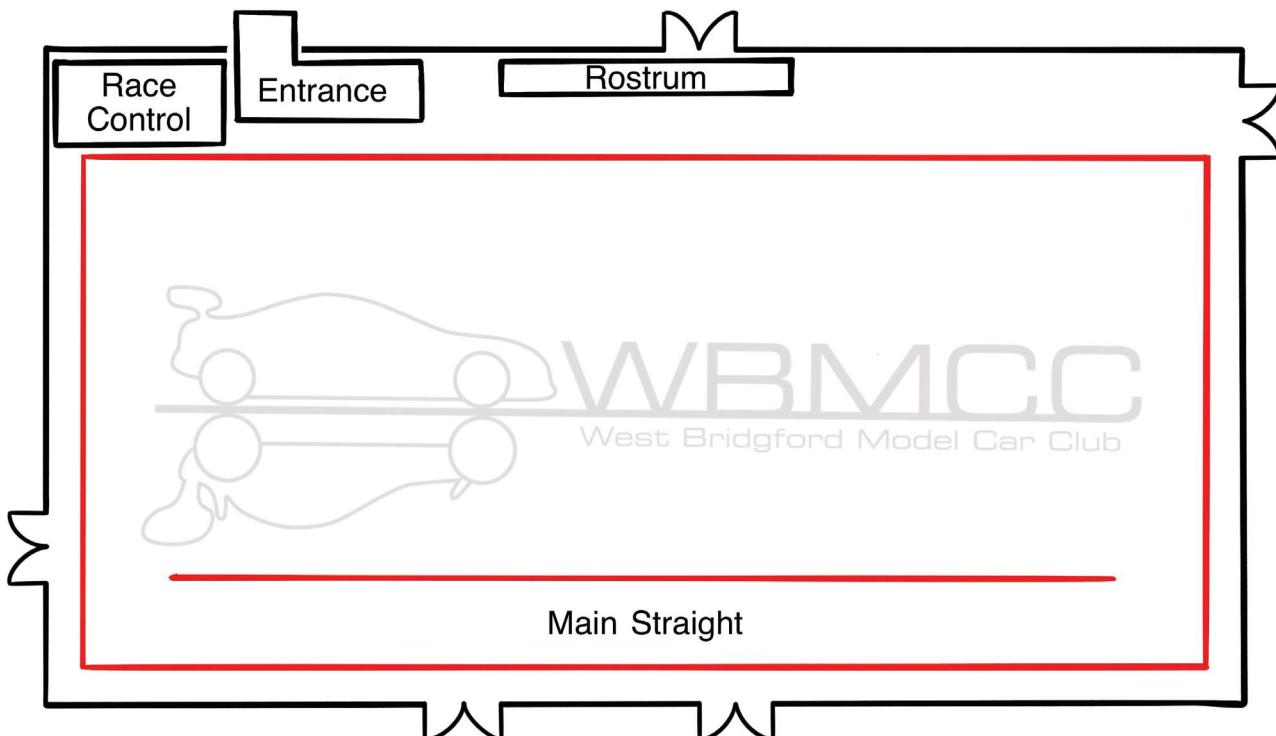

Racing will take place on a 31 x 14 metre Lindau carpet track. The surface is generally regarded as medium to high grip, with grip levels increasing quickly following practice and the first qualifying round.

The rostrum is a 1 x 8 metre platform, fitted with secure handrails and accessed via a single staircase.

Pull on and pull off zones will be clearly marked, and the timing loop will be located near to race control.

Live results will be available throughout the day via rc-results.com, with printed results also displayed in the pits.

Tyre truing will be done outside in a gazebo positioned next to the foyer entrance. Please respect this area and keep it clean as it'll be one of our dedicated committee members having to clean up any mess left over

Once again, we are thrilled to welcome you back to WBMCC for another LMP National race meeting. We wish everyone the very best of luck and, most importantly, hope you enjoy a competitive, friendly and memorable weekend of racing.

We would also like to give a huge thank you to the Chesterfield CARS club for their support with tables for your pitting. Please be respectful and wipe these down after you have finished with them!

Thank you, WBMCC Team
