

Driver Briefing

Cotswolds Round 7 1/8 on road section 16th and 17th of October

We will continue to do the drivers briefing will be via Social Media

Although COVID restrictions are lifting we must conform to the current requirements from the Government, MSUK and the BRCA, if you feel unwell, do not attend, if you are coming from an area which has local lockdown procedures please do not attend, please think of others around you before you attend.

Please Follow the information provided below and reference the following document issued by the club. <http://cotswoldmcc.co.uk/wp-content/uploads/2021/03/Competitor-Pack.pdf>

Entry to the airfield

Dear all, The airfield gate code for the weekend will be 3825. Everyone MUST enter the gate code into the pin pad when entering the airfield. If you are the last (or only) person entering the airfield, or, you do not know the car behind, you MUST wait until the gate has closed before driving off. When departing, if you are the last or only car departing, same applies. The airfield photograph every car entering and will text us to ascertain the identity of a car that enters without entering the pin code. If it's someone at the track you will be asked to leave

- 1: Welcome to round seven of the BRCA 1/8th National Championship Series 2021
- 2: Social distancing, please be aware of others around you. Facemasks are optional and we suggest gloves should be used in the pit lane.
- 3: Kit sharing continues to be discouraged.
- 4: Please bring your own hi-vis jackets, please do not ask the club to borrow one as you will be turned down.
- 5: Please follow the guidelines for Covid precautions Cotswolds have put in place, which is to allow for social distancing, please do not go onto the rostrum until the previous heat/final has finished.
- 6: Car parking will be as usual and camping will be on the ground to the right of the track. Please check here <http://cotswoldmcc.co.uk/wp-content/uploads/2021/03/Competitor-Pack.pdf>
- 7: Rubbish, although there are a few rubbish bins provided. **The club cannot dispose of empty fuel cans so these must be taken away with you.** Please bring your own rubbish bags and **take home your rubbish bag when you leave.**
- 8: Cotswolds is open for practice on Friday 15th, please book directly with the club via their Facebook page.
- 9: The procedure for Cotswolds is per the Facebook post from Lee/Michael, but briefly, no running before 9.00am on Saturday, free practice on Saturday morning and timed practise in the afternoon followed by more free practise. Please note we will break at 11:30 on Saturday to hold our Section Conference, discuss proposals etc ahead of the main BRCA agm. The Agenda will follow the same format as our main AGM and can be found at the bottom of this document. Our aim is to complete

this prior to Saturday's timed practise. Sunday's race meeting is scheduled to start at 9.00am. This all may change due to local conditions, weather, restrictions etc.

10: Please marshal the heat directly after yours during qualifying no substitute marshals are allowed, unless agreed by members of the committee. Please refer to the marshalling schedule for the finals. Whilst at your Marshall point, facemasks are optional and gloves may be used, no smoking and vaping or playing on your phone!

11: Scrutineering, there will be scrutineering between the pits and the rostrum; this will be carried out at any time by any driver nominated by the committee present.

Please ensure your car is legal, this is your responsibility. If you have any doubts please see your driver's rep, Mikey Mansell for Electric and Chris Snell for IC

12: A race controller / computer operator will be supplied by the section, please do not go and see them in the race control, this includes Saturday, if you have any questions, please see your driver rep first.

13: First aiders, the first aid kit will be supplied for self-administration.

14: Fire extinguishers and sand buckets are around the pit area and behind the rostrum.

15: Smoking in designated areas.

16: No mobile phones within the track area apart from pit lane pit crews who may use their mobile to monitor their driver's position via RC-Results during finals.

17: All cars to enter the track from the pit lane only, they are not to be placed directly on the track. Electric please adhere to this.

18: Refuelling for IC behind the pit lane wall.

19: Stop and go if required in front of your pit person.

20: One number on the car, (left hand side)

21: If you are using additive, please be aware of those around you, IC engines can be started within the allocated pit area but please be aware of those around you.

22: Charging of electric batteries, please only charge as per the electric rules, LIPO sacks / bags are mandatory.

23: During the heats on Sunday, if your car has an issue, it must **not** be returned to the pit area by the Marshall, during the finals this vehicle can be returned.

AOB

Heats will be as per the published listing on RC-RESULTS. The finals will have a maximum of ten cars.

For the free practice please be aware of others wanting to practice, when you are racing, please space yourself away from the next driver to comply with social distancing.

Please observe anything the Cotswold Track and your committee have put in place, if you feel that you have an issue with something wait until the person you want to talk to has finished what they are doing as they are there also to enjoy themselves.

Camping is available from Friday please book directly with the club via their Facebook page. Please observe distancing when parking your caravan or motor homes pitching your tents..

There will be food and drinks available, please use this facility, and once again remember social distancing when using these facilities.

PLEASE TAKE YOUR RUBBISH AWAY WITH YOU.

Finally we want to have a fun, safe weekend and a great final race of the 2021 season.
