Marshalling finals Drivers should report to race control if they are not taking part in their finals but it is considered you should still marshal your post.

When you are marshalling, we ask you to marshal other people how you want to be marshalled yourself. Also please remember it is the marshal's decision to leave their marshal point when safe and enter the track.

So remember you crashed it no one else!

Marshals are NOT permitted make any repairs to a car and they may only make 3 restart attempts. It is the driver's or pit crew responsibility to recover their vehicle, the marshal should not bring it to the pits for you.

Please be reminded that its the Drivers responsibility to make sure your car complies with the section rules and if you need any help the best time to get this would be before racing starts.

Sunday fuel may be measured in 4wd Main Final this will be briefed out with plenty of time.

Referees

Where practical a provision shall be made for a Referee in all heats and finals. This will usually be the sections own referees, you may be asked to referee instead of marshalling if required. Guidance will be given by the head referee. The Referee may request drivers to allow a faster car to overtake, issue warnings to drivers, and issue penalties to drivers for, but not limited to any of the following:

- Bad sportsmanship by drivers - i.e. deliberately impeding the progress of others by slowing down, crashing or hitting another car, corner cutting, driving recklessly to gain an advantage and/or being unable to properly control a car such as to cause a potential safety hazard.
- Cars in a dangerous condition - i.e. body not secured to chassis, causing damage to track, fixing or track markers, and a safety hazard to marshals.
- Jump starts.
- Corner cutting (with deliberate intent)

If three penalties are issued to one driver by the Referee during the Meeting (single day) the driver is disqualified from that meeting. Referees may warn drivers as to their driving conduct without issuing a penalty, and ensure that when a penalty is awarded, it is clearly stated as a penalty.
