Supporting notes

1. Depending upon driver performance any driver can be promoted\demoted from the national group by the 2024 LSOR committee during the season.
2. A watch list of potential National Drivers is also managed by the committee and should these drivers score over 90 points in their first national of the following season, they will also be added to the National Drivers list for that season
3. It does not matter which class a national driver races in during 2024 they will still be declared a national driver and be excluded from the clubman class.
4. The LSOR Committee's decision is final and any adjustments or allowances are made at the discretion of the LSOR Committee.

The British Radio Car Association (BRCA):

- (a) To promote the construction and racing of radio-controlled cars.
- (b) To facilitate the exchange of information and ideas relating to the sport.
- (c) To set rules and standards for construction and racing.
- (d) To encourage National and International competition within a co-ordinated calendar.
